**STIPULATION AND [PROPOSED] ORDER REGARDING BRIEFING ON
PLAINTIFFS' MOTION FOR CLASS CERTIFICATION**

On January 3, 2011, plaintiffs filed two motions: a motion for class certification against defendant Sony Electronics, Inc., and a motion for class certification against defendant ABC Appliance, Inc. In light of the importance of these motions and the complexity of the issues raised therein, the parties hereby stipulate and agree to, and respectfully request that the Court

adopt, the following modifications to this Court's rules on the timing and length of the parties' opposition and reply briefs:

1. The time for defendants to file their oppositions to plaintiffs' motions shall be extended by three weeks, to February 14, 2011.
2. The time for plaintiffs to file reply papers in support of their motions shall also be extended by three weeks, to March 14, 2011.
3. The page limit on defendants' opposition briefs shall not be increased.
4. The page limit on plaintiffs' reply briefs shall not be increased.

The parties believe that these adjustments to the Court's rules will best permit the parties to provide the Court with briefing that assists the Court in resolving plaintiffs' motions.

Respectfully submitted,

s/Robert J. Wierenga
